# RAMFAN HAZARDOUS LOCATION FANS

## UB20XX / UB20XX MED

### KEY USERS

- Utility Sectors
- Construction
- Demolition
- Water Companies
- Waste & Recycling
- Nuclear
- Mining
- Marine

### KEY FACTS

- Fully Enclosed Motor
- Designed for Confined Space Ventilation in Hazardous Locations
- Anti-Static Housing
- Corrosion & Chemical Resistant
- Complete with Quick-Couple Canister & Ducting
- Optional Manhole Entry Package

**Optional Manhole Entry Package**

Doc Ref: DDS096

## GENERAL DESCRIPTION

The RamFan UB20XX is a Hazardous Location Blower/Exhauster fan with a totally enclosed motor safe for use in a variety of adverse atmospheres.

Super compact and lightweight the UB20XX delivers the highest airflows in its class and boasts a tough, chemical resistant, anti-static housing for compatibility with hazardous conditions. Supplied with an anti-static Quick-Couple Canister housing either 4.6m (15') or 7.6m (25') ducting to allow easy suction or exhausting in hard to reach areas the UB20XX is probably one of the most versatile hazardous location fans available.

The **UB20XX MED** (Manhole Entry Device) allows workers to enter and exit small man/woman-size openings while maintaining continuous ventilation. Unlike some other systems where the ducting obstructs the opening, the UB20XX MED includes a section of low-diameter rigid ducting that ensures adequate access space remains for ease of personnel entry/exit.

## TECHNICAL DATA

<b>UB20XX 20cm (8") Industrial Workplace Blower/Exhauster</b>			Product Code: MIS050000			
Motor	Noise Level	Airflow	Electric	Duct Length	Weight	Dims (cm)
0.33HP	74 dB@ 1 m	1,932 m <sup>3</sup> /hr	230V (convertible to 115v)	<b>4.6 metres</b>	12kg	35 x 35 x 39
<b>UB20XX 20cm (8") Industrial Workplace Blower/Exhauster</b>			Product Code: MIS055000			
0.33HP	74 dB@ 1 m	1,932 m <sup>3</sup> /hr	230V (convertible to 115v)	<b>7.6 metres</b>	12kg	35 x 35 x 39

<b>UB20XX MED 20cm (8") Industrial Workplace Blower/Exhauster</b>			Product Code: MIS050600			
Motor	Noise Level	Airflow	Electric	Duct Length	Weight	Dims (cm)
0.33HP	74 dB@ 1 m	1,932 m <sup>3</sup> /hr	230V (convertible to 115v)	4.6 metre + 1.5 metre	12kg	35 x 35 x 39
Supplied as Manhole Entry Device package as detailed below						

UB20XX with Quick-Couple Canister & Ducting
